# ABOUT OWEN SOUND HARVEST FOR HUNGER

Harvest For Hunger encompasses pooled resources, both human and financial, and works collaboratively together in a Christian response to global hunger.

Supported by the Canadian Foodgrains Bank and the Government of Canada, Harvest For Hunger, together with its supporters, aims to end hunger in 40 countries around the world. A donation of just \$150, when matched by the Government, (4 to 1), will feed a family of five for a year in sub-Saharan Africa. The Goal of Canadian Foodgrains Bank is a world without hunger. The Canadian Foodgrains Bank partners with the Canadian Government to provide food assistance to people in the developing world.

## WITH YOUR HELP:

In our inaugural year, 2015, the Owen Sound Harvest for Hunger project was able to assist approximately 1500 people in Niger, providing food to those in need. In 2016, our goal was to assist feeding 2500 people, and we were able to meet that, due to the increased acres of soybeans grown on three different farms. With your help, we can again increase the number of people assisted in 2017. Your donation will be matched 4:1 by the Government of Canada increasing your impact on world hunger. We can help relieve world hunger as a community!
