## With Your Help

In 2015 (our inaugural year), the **Owen Sound Harvest for Hunger** project started a 12 acre field of soybeans and has grown to over 20 acres of crop. Most of the crop inputs have been covered by our agri-business sponsors and we sincerely thank them.

With the proceeds from the crops, revenue from **Fun Day at the Farm**, your donations and our generous sponsors, we have been able to send over \$282,000 to Canadian Foodgrains Bank in our first 9 years. **With your donation, we can help relieve world hunger as a community!**
